A Note from the Director...

Welcome from the Choir Department at John Horn High School. We would love for you to consider choir as one of your electives during your high school career. In the schools' short history, choir has established itself as an outstanding organization.

Jaguar Choir has successfully competed at the UIL level receiving sweepstakes ratings. Students participate in All-Region Choir, and some have gone on to make the All-State Choir. Many of our students have received superior ratings at Solo & Ensemble. The Choir Department is taking a trip New York this spring!.
