

# **ENCORE SINGER AUDITIONS**

**Tuesday, May 22, 4-6 pm**

**1. Prepare 1 verse & 1 chorus of an up tempo song.**

Make sure you have a karaoke track & have your words memorized.

**2. Be prepared to have lots of energy while you perform.** Have confidence in yourself. We like eye contact. Make sure your face matches the emotion of the song. Please use some hand movements. No boring performances.

**3. Be prepared to learn a small section of choreography & perform it in small groups.**

Not hard stuff...just the grapevine, box step, step touch, some hand movements, etc.

**4. Because ENCORE is a traveling group, you must be able to pass every class on your report cards!**

We will also take classroom behavior into consideration.

**5. You must also be in a Choir class next year to be in ENCORE!** It will help strengthen your voice & help you to stay on your harmonies in ENCORE.

**6. ENCORE meets during 2A.** Please let me know what you would like to drop if you make ENCORE. Be prepared to take off work for the entire BIG SHOW week & sell \$350 worth of ads for the program.
